ITHACA, N. Y. 14850

Office of Admissions

To: Prospective Undergraduates and Parents:

At its January meeting the Cornell University Board of Trustees adopted the following schedule of tuition charges for students in the several undergraduate divisions. In addition, the Trustees approved increases in undergraduate housing charges of 3.5% and in food prices of about 8%. These increases were reluctantly made and become effective at the close of the Spring term 1973.

The University recognizes that these tuition and cost rises will increase the financial burden for some parents since in many cases scholarship aid cannot be raised automatically to offset the new charges. However, the Office of Scholarships and Financial Aid will consider these cost increases when evaluating the need of financial aid candidates.

The new undergraduate tuition and fee schedule for 1973-74 is:

College of Architecture, Art and Planning	\$3,180.
College of Arts and Sciences	3,180.
College of Engineering	3,180.
School of Hotel Administration	3,180.
College of Agriculture (Resident)	1,350.
College of Agriculture (Non-Resident)	1,950.
College of Human Ecology (Resident)	1,350.
College of Human Ecology (Non-Resident)	1,950.
School of Industrial & Labor Relations (Resident)	1,350.
School of Industrial & Labor Relations (Non-Resident)	1,950.
Veterinary College (Resident)	1,950.
Veterinary College (Non-Resident)	2,550.

Sincerely,

Walter A. Snickenberger
